Suites Policies & Procedures

Please review the following to ensure your night goes smoothly.

Pre-Orders & Delivery:

All suite orders can be placed through our [online order form](#) on our website. To ensure that you receive the highest quality of food possible, all orders should be placed at least 24 hours in advance and your items will be delivered no later than 30 minutes before the event starts. All online orders placed on the day of the event will no longer be considered a pre-order and will arrive in the suites after the pre-orders have been delivered.

Game Day Ordering:

The menu will be limited to day-of-event items. Keep that in mind when you plan your order. If you plan to place an order during the event, please ask your suite attendant or call our service terminal operator at (801)-988-2101. Please state your name and what suite you are in before saying your order. Please be aware that orders placed on the night of the event will take no longer than 45 minutes to be prepared and sent up to your suite.

Orders Containing Alcohol:

Please keep in mind that we will not leave alcohol in a suite without an adult of legal age present. With that being said, please call the service terminal at (801)-988-2101 once you and your party are in the room for the delivery of your alcoholic beverages and to be given wristbands to show you are of legal age. Alcohol cannot be taken out of the building at the end of the event.
